

# TOWNSHIP NINE WINS HONORS OF YOUTH LEAGUE

## Bristol Terrace Loses To The Vectors by Score of 8 to 1

### MORRELL ON MOUND

#### Losers Are Limited To Five Scattered Hits

"Henny" Morrell's Bristol Township team again captured the championship of the Bristol Youth League by whipping the Bristol Terrace nine, 8-1, yesterday afternoon on Leedom's field. It was the third straight game in which the Township lads defeated Terrace.

Again it was the masterful hurling of "Dave" Morrell which subdued the Terrace boys to five scattered blows and would have scored a shutout but for his wildness. In the third inning, Morrell tripped four batters, but fanned Tribbley for the third out with the bags loaded.

### Clergyman Addresses Firemen at Ceremony

QUAKERTOWN, Sept. 15 — Rev. Wilbur E. Treker, pastor of Christ Reformed Church, Trumbauersville, spoke at the community services held for the Quakertown Fire Department. He explained that service is the keynote of the Firemen's organization. The fire department housed its new ambulance and two new Mack pumps.

Other features of the program included: Greetings, Chief Burgess Allen Dreibach, Quakertown; greetings from five neighboring fire companies, William Stackhouse, president of the Bucks County Firemen's Association; invocation and benediction, Rev. Paul T. Stodt, pastor of the First Reformed Church, Quakertown; master of ceremonies, Dr. Raymond Tice, Quakertown, music, Junior Bugle and Drum Corps of Richlandtown Fire Company; remarks by Mrs. Jere Knight Lindner in honor of her late husband to whom the equipment was dedicated; Fire Chief Granville Cressman, Quakertown; Raymond Strunk and Willard Undercoffer, president of the two Quakertown fire companies. Fire works were displayed after the service.

### GIRL SCOUTS VISIT PENNSBURY

Ten members of Girl Scout Troop No. 3, sponsored by St. James Episcopal Church, took a bicycle hike to Pennsbury on Saturday. The girls left at 9 o'clock, and came home at five o'clock after making a tour of the grounds and enjoying a picnic lunch, which they had taken along. The trip was under the supervision of the leader, Miss Charlotte Landreth.

## Comparative Figures Show Added Enrollment

LANGHORNE, Sept. 15—Figures showing comparative enrollment for September, 1946, and September, 1947, have been released by Dr. Oliver S. Heckman, supervising principal of Langhorne-Middletown public schools.

The combined enrollment of the Langhorne Grade School and the Langhorne high school totaled 674 at this time last year. At the end of the school year the total was 650. There are now 700 students enrolled in the Langhorne schools. Eighteen of the 26 student increases of this year over last, can be traced to the first grade the number of pupils has jumped from 28 to 46. This year is the first year that many of the so-called "war babies" have started school.

Parkland and Hulmeville grade schools both show a greater number of students this year than last. The former now has 161 school children as compared with 147 last year, while the latter has 138 this year and had only 115 last semester.

The Langhorne Manor grade school shows a decrease of one scholar this year. The change was from 30 to 29. The South Langhorne grade school had a student population last year of 123 as compared with this year's 115. The parochial school which last year had 188 students has not yet reported this year's registration.

## HERE AND THERE IN BUCKS COUNTY TOWNS

### Activities of Interest To All in The Various Communities

### GLEAINED BY SCRIBES

#### HULMEVILLE

Mr. and Mrs. Hugh B. Webster, Miss Elizabeth Webster, and Jesse G. Webster left on Saturday for Pigeon Cove, Cape Ann, Mass., where they will spend a week's vacation. William Newbold, of Langhorne, is spending a few days with them at the resort.

Harold Dassenburg will be host at his home this evening to members of the official-board of Neshaminy Methodist Church.

#### NEWPORTVILLE

Mrs. M. Murray, West Chester, is making her home this winter with her daughter, Mrs. Russell Shoemaker.

Mrs. H. Backhouse entertained members of the Friendship Club on Wednesday afternoon.

Mrs. Watson Smith was a guest of her daughter, Doris, at Doylestown throughout last week.

#### FLEETWING ESTATES

William Botwright is now in Austin, Minn., where he is engaged in bacteriological research for the Hormel plant there. Mr. and Mrs. George Botwright, of Bay City, Mich., his parents, are spending several days here with their daughter-in-law.

Mrs. William Smith entertained Mr. and Mrs. Ernest Smith and Mrs. Arthur Hitchcock, Brooklyn, N. Y., over the week-end. Also present were William Smith's mother, Mrs. Harold Smith, Brooklyn, who is spending a few weeks here. Mrs. William Smith also entertained the above guests last week-end, with the addition of Mr. and Mrs. Fred Schildknicht, of Brooklyn.

### Returns from Long Jaunt; Charged With Car Theft

QUAKERTOWN, Sept. 15—A 20-year-old automobile mechanic, charged with stealing a newly-painted automobile here on July 12th, and who has just returned from a jaunt to California, is in Bucks Co. prison in default of \$2500 bail.

The young man being held is Thomas Buchanan, of Haycock township. Buchanan, it is stated, broke into Rehrig's garage here and took the car after loading up with gasoline. He was able to steer clear of alerted police enroute to the west coast. He returned to this borough on Wednesday in the stolen car and gave himself up at state police substation here. A warrant was issued by Justice of the Peace Koder.

#### ANNOUNCE BIRTH

Mr. and Mrs. Joseph H. Elbersson, 575 Swain street, are being congratulated upon the birth of a son in Abington Hospital on Saturday morning. The new arrival, who weighed 7 lbs., 4 ozs., has been named Raymond Joseph. Mother and baby are both doing nicely.

#### DESSERT CARD PARTY

EDDINGTON, Sept. 15 — A dessert card party is arranged by St. Martha's Guild for Wednesday at 12:30 p. m. in the rectory of Christ Church parish house.

## Mrs. Stella Leinski Is Wed To Joseph Wiktor

The Rev. Albert Glass united in marriage here on Saturday afternoon Mrs. Stella Leinski, of Green Lane, and Mr. Joseph Wiktor, of Langhorne. The four o'clock ceremony took place in St. Mark's R. C. Church.

The bride was attired in an aqua dress with black accessories.

Organ music was provided by Miss Katherine Keating, of Linden street.

At the reception, held at the home of Mr. Wiktor where the couple will reside, an orchestra provided music.

## PROFESSIONAL VISIT TO JAPAN RECOUNTED

### Dr. Genevieve M. Bowen Tells of Japanese Reaction To American Activities

### SPEAKS BEFORE CLUB

Quakertown, Sept. 15 — Dr. Genevieve M. Bowen, supervisor of elementary education in the Bucks County schools, appeared before Quakertown Rotary Club, recently, to tell of her experiences on a professional visit to Japan and Korea.

Dr. Bowen showed a series of unusual slides which illustrated views of Buddhist temples, Japanese schools and other phases of her experiences there as well as in Korea.

Dr. Bowen went to Japan upon the invitation of the U. S. War Department to serve as consultant to the Japanese Minister of Education in collaboration with several hundred other American educators who made the trip to assist authorities there to re-establish their schools on a permanent basis and patterned after the American public school system.

During the few months of her professional work in Japan and Korea, Dr. Bowen was in contact with hundreds of Japanese school authorities, and found them quite cooperative and deeply interested in the re-establishment of their schools. In fact, she said, the Japanese, as a class, are thankful because of the peaceful occupation of their land by the Americans, and because all the terrible things which their military leaders had prophesied would happen to them if they did not win the war, did not materialize.

"Our peaceful and constructive occupation of their land and our supervision of its reconstruction have given them a wholesome respect for the Americans, and they seem to have a great sense of relief that the Americans are not the awful tyrants which had been pictured to them," said Dr. Bowen.

General MacArthur, she said, has become a hero in the eyes of many of the younger Japanese, and in their homes and above their altars the picture of MacArthur has in many cases displaced that of Tojo.

"Of special significance," said Dr. Bowen, "is the fact that our American bombers spared many of their temples and the Yokohama water front, even though vast areas of their large cities were laid waste before they were willing to surrender."

### Tuition Rates Are Set For Sell-Perk Schools

SELL-PERK, Sept. 15 — At a meeting of the Sell-Perk school board last week, tuition rates for pupils from other districts were fixed, and salary rates for substitute teachers were settled.

High school tuition was fixed at \$20.93 monthly and the substitute teacher salary at \$1 daily. The salary for the manager of the high school cafeteria was fixed at \$7 daily a \$2 increase over last year's rate.

No decision was reached on repairing the heating system. It was reported that the condition of the boiler tubes make repair costs prohibitive. The board discussed the purchase of new heating equipment but referred the matter to a committee for further study and recommendation.

#### YATES TO BE OPERATED UPON

Herbert Yates, Jr., 347 Mill street, who was seriously injured in an automobile accident Sept. 4th, will undergo a major brain operation today at the Naval hospital. Yates is paralyzed on one side, and is in a semi-conscious condition at present and it is hoped that the operation will alleviate this condition. Authorities of the hospital report a brain clot must be removed.

#### CAR OVERTURNS

LeRoy Reese, Landreth Manor, was injured during the week-end, when his automobile overturned as he was returning from Langhorne. Reese, taken to Harriman Hospital by Bucks Co. Rescue Squad, was treated for deep laceration of the upper lip requiring three stitches, and cuts on the bridge of his nose.

## BRISTOL FISHERMEN AID IN RESCUE AT SCENE OF BOAT EXPLOSION

Five Bristol fishermen had a thrilling experience yesterday morning as they waited to board a fishing boat at Brielle, N. J. They were eyewitnesses to an explosion which blew apart a fishing boat, killing one man and injuring 14 others. The Bristol group aided in getting some of the injured off the wrecked boat and also out of the water into which they had been tossed by the force of the explosion.

The Bristol group included Norman Hetherington, Frank Murphy, Herman Petrizzi, William Koenig and Joseph Kryven. The party left Bristol early yesterday morning, arriving at Brielle at about 5:30. They were standing on the dock waiting to board a boat upon which they were to spend the day fishing when suddenly a terrific explosion occurred on a nearby boat which was about 15 feet from the Bristol group.

Two of the injured men are residents of Newtown. They are Harry Fletcher, 33, of 259 S. Lincoln avenue; and Charles Miller, 34, of 410 Washington avenue. Both were treated for bruises at the Point Pleasant Hospital and discharged.

The Bristol men, after aiding in assisting the injured, were held by the authorities until a preliminary investigation had been made as to the cause of the accident, which it is believed was due to gas fumes being ignited by electric spark.

The explosion took place at the boat's dock in the Manasquan River. The detonation rocked the seashore resort and awakened many of its residents and summer visitors.

It was followed by a fire that burned the Paramount III to the water line. The boat is one of a fleet of nine pleasure fishing craft operated by Rogan Brothers.

Four other persons were treated at the hospital but their injuries were considered of such a minor nature that no records of their identities were kept.

The injured had all boarded the boat before 6 a. m. and were waiting to start out to sea for a day of fishing. At approximately 5:45 according to police who opened an investigation into the cause of the explosion, Charles Fuchs, captain of the ship, boarded and started the gasoline motor of the 50-foot vessel.

The explosion came a short time later, while the motor was still running. It lifted the deck well into the air. Several of those aboard were hurled into the river. Others, including a half-dozen not injured, jumped into the river or scrambled to the dock for safety.

## ARREST TWO FOR CAR TAMPERING

### Pair Taken Into Custody At Hulmeville and Given Hearings

### RELEASED UNDER BAIL

HULMEVILLE, Sept. 15 — Two young men, apprehended here following a chase in the early hours of Sunday morning, were charged with suspicion of larceny and suspicion of tampering with automobiles. The two who were given hearings before Justice of the Peace George F. Zarr, here, were later taken to Bristol municipal building, detained for several hours, then released yesterday under bail for further hearing here tomorrow evening.

Those arrested: Richard H. Yung, 18, of 6300 block of Broun avenue, Philadelphia, and John W. Crossan, 23, of 6200 block of Merchen street, Philadelphia.

According to officials, residents in the vicinity of Colonial Country Club noticed some men tampering with automobiles parked at the club house shortly before two o'clock. They notified individuals at the club and an investigation was started. It was found that an automobile owned by Charles Thorpe, Jr., of Bristol, loaned to his brother, Thomas Thorpe, Philadelphia, had been tampered with, a white metal flange being removed. The flange was found standing alongside an automobile parked nearby. When a group of young men, five or six in number, were queried about the removal of the flange, an argument ensued, followed by a chase when the latter allegedly took to their heels. The chase led through nearby lawns, with Yung and Crossan being apprehended near the mill race. Lights from the automobiles were used in an effort to track down the group.

Taken into custody by Special Officer Walter Smith, the two were arrested by Constable Orville Morris. A preliminary hearing was given them before Justice of Peace Zarr. The two, it is claimed, refused to tell the name of the owner of the car in which they were believed to have made the trip here, or to divulge the names of other young men in their group.

The two secured \$200 bail each yesterday and were subsequently released. The hearing will be continued tomorrow evening.

## Ask Permission To Increase Gas Rates Here

The Philadelphia Electric Company has announced that it will file a new tariff with the Public Utility Commission today increasing rates for gas service effective November 15th. The new gas rates will affect some 156,000 residential, commercial and industrial users in Montgomery, Bucks, Delaware and Chester counties.

Higher costs for coal and oil, and other increased costs associated with gas production, including labor, is the reason given for the rate boost by company officials. In a letter to customers, the company reported that the cost of important raw materials used in the manufacture of gas has gone up considerably since 1939. Coal has increased 60 per cent, by-product gas produced by refineries and purchased from them by Philadelphia Electric Company has increased 90 per cent, and oil has increased 44 per cent.

For the past 25 years the cost of gas service to P. E. customers has not increased, even though most other items of the household budget have spiraled. On the other hand, there have been a number of reductions in gas rates in that period.

Under the new gas tariff, five general service classifications formerly in effect in different districts will be superseded by a single rate which will remove district differentials heretofore existing. This rate covers service to residential, commercial and small industrial users, and applies to the great majority of the company's gas customers, some of whom will benefit from the change.

## MISS FERRY IS WED TO JOSEPH WALKER

### St. Mark's Church is Scene of Ceremony; Reception Follows

The marriage of Miss Theresa A. Ferry and Mr. Joseph L. Walker was a Saturday afternoon event in St. Mark's R. C. Church, the Rev. Albert Glass performing the two o'clock ceremony.

The bride selected for the occasion a gown of candlelight rayon satin, flounced at the neckline with sheer lace, and having bustle back and flowing skirt, train. With this was worn a pearl tiana which held a finger-tip veil of net, and she carried an arm bouquet of mixed white flowers.

Attending the former Miss Ferry as bridesmaid was her sister, Miss Catherine Ferry, who wore a floor-length gown of light green moire taffeta, with sweet-heart neckline, short sleeves and full skirt. Her heart-shaped hat was of green net and her mitts were of matching tone and material. White slippers were worn, and she carried mixed flowers in an arm bouquet.

Mr. Michael Walker, Bath street, was best man for his brother.

Selections of Miss Margaret Fallon, Conson street, the vocalist, were "Because" and "Ave Maria". Presiding at the organ was Miss Katherine Keating.

A small reception followed at the home of the bride's parents, Mr. and Mrs. Daniel Ferry, 707 Spruce street. The groom is the son of Mr. and Mrs. Charles Walker, 607 Bath street.

Leaving for a weeks trip to Atlantic City, N. J., Mrs. Walker was costumed in a seafaring green suit, white blouse and brown accessories. Her corsage was made up of white carnations. The couple will make their home with the bride's parents.

Mr. Walker, a veteran of World War II who saw a year of service in the Pacific theatre of operations, is a partner in ownership and operation of a cafeteria at the Acme Mfg. Co., Philadelphia. His bride, a graduate of Bristol high school, is employed at Norman's stationery store.

Gifts of the bride-groom to the best man were matching tie pin and belt buckle; while Mrs. Walker gave her bridesmaid a pair of earrings.

## COUNTY FIREMEN HEAR ASSISTANT DIST ATTORNEY

### Willard Curtin, Esq., Urges Preservation of Any "Evidence"

## REPORT OF MARSHAL

### Fire Loss in County in Three Months Totals \$90,250; Alarms Number 28

FEASTERVILLE, Sept. 15 — Willard Curtin, Esq., of Morrisville, assistant district attorney of Bucks County, addressed members of Bucks County Firemen's Association in the Feasterville Fire Co. station on Saturday evening. Mr. Curtin, substituting for district attorney Edward G. Heister, who is ill, was introduced by the Hon. Thomas B. Stockham, of Morrisville.

Mr. Curtin, in considering firemen and their work of protecting property, urged that great care be given by the fire-fighters in preserving any evidence where anything of a suspicious nature is noted at a fire. He suggested that someone be assigned to guard such "evidence," as he dealt with the legal aspects of conflagrations. Mr. Curtin expressed appreciation to the volunteer firemen for their co-operation with police officials throughout the county of Bucks.

A Mr. Jones, representing a fire detector equipment firm, presented to the gathering the advantages of thermostatic fire detectors, he demonstrating use of same, and telling how such aids in flashing warning of fires from any part of a building. This presentation was received with great interest on the part of the delegates present.

William L. Stackhouse, Doylestown, president of the association, called upon the Rev. William Babinsky, pastor of Feasterville Community Church, for the invocation. Welcomes were extended by John Goetter and Paul McBride, president and chief, respectively, of the Feasterville company. The roll called showed that 25 companies were represented.

County fire marshal Raymond Strunk, of Quakertown, reported as follows for the quarter just ending: Number of alarms, 28; loss, \$90,250; amount of insurance, \$97,600; property at risk, \$159,600; house fires, 7; barns, 5; out-buildings, 2; tourist cabin, 1; automobiles and trucks, 6; dumps, 2. Financial secretary reported 485 members, four of these being new. Total companies enrolled to date is 54. Two death benefits were reported paid. Schedule of coming meetings follows: December, at Erwinna; March, Parkland; June 11 and 12, Bristol; Sept., 1948, Southampton.

Treasurer Louis C. Leedom, Yardley, reported \$4000 in government bonds; and \$1,050.58 in the treasury. Honorary vice president Victor Smith, in reminding that each company names delegates to the county meetings, urged that said delegates join the county association individually, as "it is only through individual membership that death benefits are secured."

## FREE PRESS—BY TREATY

Americans know what might happen to their form of government if the basic right of freedom of the press should be usurped. Upon that right, as much as upon others, has been built one nation of 48 states, with tolerance and free flow of people and goods and ideas.

Yet in a world to which this nation seeks to bring peace through extension of that philosophy, there are many areas where the press does not have such freedom.

As an approach to this problem, the State Department has released the text of a proposed international agreement on freedom of information, drafted at its request by American newspaper executives. Under the agreement, accredited correspondents would have complete freedom to enter and travel within all nations, censorship would be abolished except where the consideration is military security or basic law such as libel, and a commission would adjudicate complaints.

But most important, all news would be handled on a most favored nation basis, which would result in equal treatment of divergent views in any nation's press.

The proposed treaty contemplates an ideal condition, for such an agreement, accepted and adhered to by all nations, would be a long step toward world peace and world understanding. Permitting all correspondents complete freedom to gather news would be a major stride. If all the news were made available to newspapers in all countries, the ideal would be realized.

Unfortunately, it is in the lands of darkness where the dictators must control the light.

Science estimates it took 50,000,000 years for a dinosaur to grow to a length of 40 feet. And all it got was a lot of bones in a museum.

Average American has \$3.12 less than he had a year ago, according to a government report. Washington seems to be dealing in small change finally.

Next war, because of improved weapons, will be bigger than ever. Followed no doubt by bigger inquiries into bigger entertainment expenses.

Europe is to get 500,000,000 bushels of American wheat, or \$7 worth from every American citizen.

# ECHOES OF THE PAST

(By Courier Staff Member)

Review of the news as it appeared in the Bucks County Gazette issue dated at Bristol Nov. 5, 1896. The Gazette, a weekly newspaper published in Bristol, was discontinued following its merger with the Courier.

The Bristol and Langhorne Trolley Co. is expected to have the cars running in about 10 days. All the material is here with the exception of some curved rails to be used at Hultineville. The road will be operated by power from the Langhorne Electric Light Co.'s plant. There will be four cars on the road, and will leave the terminal every hour.

A large number of pictures has been placed in the parlor of the new M. E. Church. Among these are found pictures of Revs. Cook, Ridgeway, Dalrymple, Kemble, Burdiss and the present pastor. Two brethren who have been president of the board of trustees are also represented, Hon. Wm. Kinsey and Jacob S. Young. Mr. Joseph H. Vanzant has been the donor of the pictures of the last two above named and that of the pastor.

The cornerstone of the Second Baptist Church, Race street, will be laid with appropriate services on Sunday, November 16th.

The magnificent victory of the Republican ticket in favor of McKinley, Hobart, Protection and Sound Money by a popular majority of over one million votes is a great cause for thankfulness of the American people.

The election returns were received in Bristol at the rink, at the Clover Club and at Parmelee Kidd's restaurant.

The new bicycle path from the Hollow bridge to Landreth's farm lane is about completed. The heavy iron roller was put on the path Tuesday morning. The path promises to be the finest in this section of the country.

Very nearly 900 people went over on the ferry to Burlington on last

Friday evening to participate in the grand ratification parade of New Jersey's big majority, given there on that night.

The enthusiasm of the citizens of our good old Bristol knew not how to contain itself, when the returns were read on Wednesday morning, of the glorious election of McKinley and Hobart. Particularly hard also was it for them to restrain themselves from some overt action when it was learned how the voters of Bristol almost unanimously cast their vote to keep the industries of this manufacturing town running. The only thing that could quell this vast amount of enthusiasm was to give it vent in a monster parade. The people wanted to parade immediately on that night, but it was decided to wait until Saturday evening, in order to give everybody a chance to purchase red fire, the fixing up generally of the floats for the parade, and the decoration of the residences and business houses of the town.

The parade was the finest affair that ever wended its way through the many streets of the borough. The ferryboat William E. Doran brought over 300 people from Burlington who participated in the procession, which started at about half past eight, with E. W. Minster as grand marshal.

It is estimated that there were about 2,000 people in line.

A horse ridden by Richard Hepworth in a sound money jubilation parade in Burlington on Friday night, stepped into a blazing tar barrel and ran away. In its flight it knocked down William Snyder, of Bristol; Vale Marsh, of Burlington, and an unknown woman. Then as it plunged wildly towards the Delaware, Hepworth dropped off its back and was badly bruised.

## YOUR MONEY BACK

Even the floors are warm with a Coleman—  
You have no fire-tending toil, no fuel-dirt

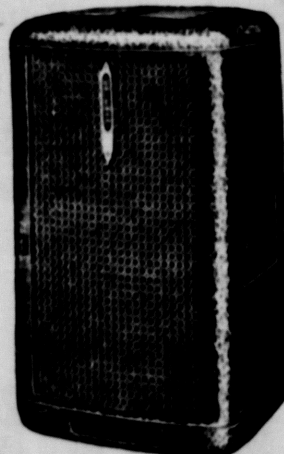

### \*EVERY MODEL GUARANTEED

We can guarantee more heat because Coleman gives you more two ways: (1) It gets 10% more heat from fuel than old-fashioned burners; and (2) it moves the heat—gets it down to the floor, the living zone, where it gives you more warmth and comfort. So we say: Replace your old oil heater with a new Coleman of equal size and BTU rating. If, after 30 days of use, you are not satisfied that Coleman gives you more heat and more comfort, your dealer will remove the heater at no expense to you and refund your money.

**MODEL S-557.** This is Coleman's big Super-Circulator with furnace-type heating unit and 55,000 BTU capacity. Power blower optional. Ask your dealer!

**MODEL R-517.** Radiant circulator with 51,000 BTU output hourly. Gives quick-warm-up radiant heat and also powerful warm air circulation.

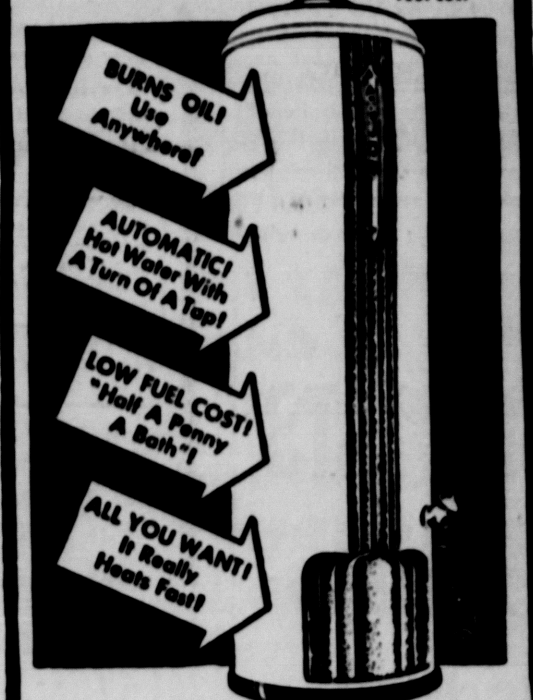

You're warmer two ways because Coleman features get more heat out of fuel than old designs—and they bring the heat off the ceiling down to the floor where it keeps you warm.

**It's automatic—Saves work!** Nothing for you to do but light the heater. Automatic controls hold just the temperature you want—you always have a warm house.

**Beautiful scratch-resistant finish** plus smart styling like a modern radio. Fits in with finest furniture, in many homes.

## Tomlinson-Greenlee Nuptial Ceremony Takes Place Here

Three sisters and four brothers of the bridegroom were members of the Tomlinson-Greenlee wedding party on Saturday afternoon, when the double ring ceremony was performed in Calvary Baptist Church by the pastor, Mr. Lehman Strauss. The contracting parties were Miss Pearl Greenlee, daughter of Mrs. Lillian Greenlee, 309 Walnut street, and Mr. Albert Parker Tomlinson, son of Mr. and Mrs. Paul Tomlinson, 214 Walnut street.

Making her way to the altar at the hour of two, the bride was given in marriage by her brother-in-law, Mr. Harry Enny, Mt. Holly, N. J. The bridal march was played by Mrs. Jackson Bauer, organist, of Croydon, who also accompanied the violin soloist, Mr. John Toroni, of Overbrook, as he played "The Sweetest Story Ever Told" and "Saviour Like a Shepherd Lead Us." Other musical selections were vocal numbers by Miss Jane Argus, Washington street, who sang "O Promise Me," "At Dawning," and during the ceremony rendered "O Perfect Love." Offered as vocal duets by Miss Argus, and Mr. Jackson Bauer, of Croydon, were "I Love You Truly," and "The Lord Is My Shepherd."

The bride wore a gown of egg-shell satin, en-train, with trim of lace. It was cut with full bodice and tight waistline, and had long, tapered sleeves. An orange blossom head-piece held a scalloped veil, and slippers were of kid-skin. She carried white roses.

Serving as maid of honor was Miss Dorothy Worthington, Bristol Terrace, who wore Nile green; and as bridesmaids, the Misses Esther and Vera Tomlinson, who wore yellow and periwinkle, respectively; and junior bridesmaid, Miss Naomi Tomlinson, who was gowned in pink. The quartet of young women wore colonial type taffeta gowns, with drop-shoulder effect, and net insets at the yokes. Wide bertha formed cap sleeves, and long detachable sleeves ended in points over the hands. Poke bonnets were of net with veils falling over their shoulders. They wore silver slippers. The maid of honor carried a cascade of lavender gladioli and yellow roses; while the other three attendants carried cascades of gladioli and roses in mixed color tones, with baby breath.

Mr. Tomlinson had as his best man Mr. Walter Tomlinson; and serving in the capacity of ushers were Messrs. John, Raymond and Louis Tomlinson, all of Walnut street.

The reception at 3:30 took place at Lavendar Hall, near Newtown.

### Today's Quiet Moment

By the Rev. T. Kohlmeier  
Pastor  
St. Luke's Lutheran Church  
Croydon

Grant us, O Lord, not to mind earthly things, but to love things heavenly, and even now, while we are passing away, to cleave to those that shall abide; through Jesus Christ, our Lord. Amen.  
(From the Leonine Sacramentary.)

Mr. Tomlinson and bride are spending a week at Ocean City, N. J., and upon their return will occupy an apartment at 309 Walnut street. Travelling costume of the bride included a brown faille suit, brown accessories, and white rose-bud corsage.

For attendance at the ceremony, Mrs. Greenlee, mother of the bride, wore a pink crepe dress and black accessories; while the bridegroom's mother, Mrs. Tomlinson, chose a black dress, hat and slippers, and white gloves. Both wore corsages of white carnations.

The bride, a graduate of Bristol high school, class of 1932, graduated from the Philadelphia School of the Bible this year. The bridegroom, a graduate of Bristol high school, class of 1941, served in the U. S. Army for five years, spending one year in Europe. He is enrolled at Eastern Baptist Theological Seminary, Overbrook, he studying for the ministry.

Mrs. Tomlinson presented her attendants with silver bracelets; while Mr. Tomlinson gave his best man and ushers monogrammed key cases.

## ST. ANN'S VICTOR IN OPENING GAME UNDER THE LIGHTS

Unleash Power Offensive  
Attack from Start  
to Finish

ROLL UP 34 TO 0 SCORE

St. Joe's, of Beverly, Could  
Not Stop the Local  
Boys

Unleashing a powerful offensive attack from start to finish, St. Ann's A. A. football eleven inaugurated its 1947 season with an easy 34-0 victory over St. Joe's, of Beverly, N. J., Saturday night, under the lights, on the Bristol high school field.

Not only did its offensive power stand out but the "Saints" proved an estimated 3,000 fans that its defensive wall just could not be penetrated. If St. Joe's had any offense at all, they lost it before they could show it as the St. Ann's linemen continually broke through to get the visiting ball carrier.

The Jersey team had three first downs during the game, two coming as the result of penalties inflicted on St. Ann's, and the other a 15-yard completed pass, A. Cecelia to Fenimore, in the final quarter. In yardage, the visitors lost more than they gained. During the entire four periods, their gains totaled 17 yards while they lost a total of 36. The largest gain on one play was an end run by Swartz which netted 8 yards.

The St. Ann's touchdowns were made by "Sai" Pappaterra, who registered two, "Nate" Chichiletti, Nick Lomma, and Stan Lelinski while the extra points went to "Howie" Keyes on a pass from Chichiletti, Leo Fiorilli on a line play, Al Pezzullo and "Carm" Gullatto who had placekicks.

One of the most outstanding runs of the contest was made by "Mickey" Stradling, erstwhile Morrisville High speedster. Stradling was trapped while attempting to pass in the late part of the second quarter and instead of throwing chose to run. He eluded 2 tacklers, took to the sidelines, cut back into the center of the field, waited for his interference to form and then took sail towards the goal-line. Only the safety-man prevented him from scoring on the two-yard line. The half ended before the "Saints" could line-up for another play.

To signal out any one St. Ann's player as outstanding in the game would be an injustice. Coach "Mike" Delfisi and his assistant, "Click" Chichiletti kept substituting continually, mostly because of the hot weather and also to keep the score down. But Delfisi's reserves were just as strong as his starting line-up and aided in the piling up of sixteen first downs.

The American Legion Drum and Bugle Corps paraded before the game and between halves and was led in the parade to the grounds with its noise-making locomotive.

Between halves, "Irish Patsy" Kline, former professional fighter, who fought in 150 exhibition bouts during World War I to help raise \$250,000 and then lost his sight in an accident, was introduced to the fans. Donations were received for Kline who will undergo a serious operation this week.

## ST. ANN'S AND VOLTZ SPLIT TWIN BILL

St. Ann's A. A. and Voltz-Texaco split a twin-bill yesterday afternoon as the first two games of a five-game series of the final playoffs of the Bristol Suburban League were played on Maple Beach and Leedom's field.

St. Ann's captured the first tilt, 9-6, while the second affair was called in the eighth because of darkness. Voltz-Texaco winning the slug-fest by a 16-13 count.

Besides doing a fine role in relief pitching, "Jimmy" Cooper batted in the winning runs with a long double to centerfield with the bags loaded in the first half of the eighth. Cooper was the winning hurler of the tilt, he taking over after "Howie" Black was batted from the peak in the fifth inning.

"Danny" Keegan was the losing moundman of the second game, he being pounded out in the eighth inning. Keegan was also knocked out of the box in the first game but the "Saints" rallied to score the victory and saved Keegan from defeat although "Nate" Chichiletti received credit for the victory.

"Mike" Delfisi, who started on the hill for Voltz in the opener, was the loser, he leaving the premises in the eighth.

## John Dodds Captures First Place in Duster Race

The final race in the Duster class series was sailed at the Lakano Boat Club, Burlington, yesterday. It was a race marred by patience and perseverance as the wind conditions were the worst of the entire season.

The three mile course was covered in 1 hr. 39 min., just ten minutes under the time limit for an official race. John Dodds, sailing "Gismo's Pup", captured first place, with Cliff Labar in "War Baby" second. Joe Cherubini brought "Nocturne" into third place, while Pete Ross in "Windy" was fourth. These four boats were the only ones to finish from a field of twelve starters.

The final standings for the series are as follows:

1. No. 25, Joe Cherubini, 7 pts.  
2. No. 17, John Cherubini, 9 pts.  
3. No. 45, Cliff Labar, 14 pts.  
4-5. No. 66, John Dodds, 26 pts.  
6-7. No. 51, Don Wannamaker, 36 pts.  
8. No. 46, Pete Ross, 25 pts.  
9. No. 17, Joe Cherubini, 26 pts.  
10. No. 72, Mel Locke, 43 pts.  
11. No. 56, Cliff Labar, 51 pts.

These boats scored points for the best six races in the ten-race series. The other boats in the fleet did not sail the required number of races but scored points as follows: No. 29, Alice Ross, 36 pts.; No. 61, Tom Cherubini, 21 pts.; No. 75, Leon Cherubini, 17 pts.; No. 76, Bob Townsend, 19 pts.; No. 91, Frank Camerota, 48 pts.; No. 97, Ronald August, 39 pts.

The handicap race series has yet to be completed with three more races scheduled. Following this series, the "Round-the-Island" race will complete the racing season.

LEAN HARVEST

STOCKHOLM (INS) — The harvest prospects in Sweden, which gave cause for pessimism earlier in the year, have become still darker due to the drought. According to estimates, this year's crop from autumn sowing will amount to about 300,000 tons against 508,000 tons last year. This will necessitate substantial imports.

WOOD CUTTING PRIZE

STOCKHOLM (INS) — A free round trip to London and a ten days' stay during the Olympic Games next year is the prize for spare-time wood cutting in the province of Dalecarlia. This unusual inducement is a part of a nation-wide propaganda aiming at easing the fuel situation, which is expected to be serious next winter.

BASEBALL TALENT HUNT

PITTSBURGH (INS) — The Pittsburgh Pirates are going international in their search for talent. The Pirates recently held a tryout camp at Thamesville, Ont. George Gibson, of Mt. Bridges, Ont., former Pirate manager and catcher, assisted Joe Brehany and George Chacko in conducting the camp.
